17 December 2019

This will be the final edition of our newsletter for the year and we will resume in mid-January again. Welcome to all our new members and we wish you all (new and not so new) happy holidays and please be safe on the roads.

Below a message from our Captain:

The year 2019 was a challenging one for the club, with a declining membership and less rounds resulting in our financial position looking bleak. The committee had to introduce a green's levy from mid-year to December to assist us in meeting our financial obligations. Thanks to our members for the continued support through the tough times. I can also report that we also had some huge positives, namely, a vast improvement to the condition of the course, successful Joos van Zyl testimonial/ 30th anniversary golf day and our best ever Classic week and an increase in the rounds played by members.

In order to improve our membership, the committee proposed drastically reduced membership fees for 2020 in September, which was approved by the members and I can report that to date we have received 200 new applications and we expect the number to increase in January 2020.

The outlook for 2020 looks promising.

On behalf of the committee I want to thank, the management and staff for their efforts during the year.

I also want to thank the committee for their dedication and effort during a tough year.

I wish everyone a joyous and Blessed Christmas and prosperous New Year.

Dear Loyal Supporter,

Pinotage is synonymous with South Africa and with Heritage day that has just passed and International Pinotage day just around the corner we want to **celebrate this wonderful and versatile South African born cultivar.**

Pinotage is a cross between Pinot Noir and Cinsaut (previously called Hermitage) and was cultivated by Prof Perold in 1925. We were one of the first to plant Pinotage on a commercial scale in 1953 and this block is still in full production.

This is our pride and joy with a VERY special wine made from this Bush vine block, called "The 1953".

We want to celebrate this special wine by running an amazing deal on our "The 1953 Pinotage".

The 1953 Pinotage deal:

The 12th of October is **International Pinotage day** and to celebrate we are running a deal on our blockbuster The 1953 Pinotage

NOW you can buy 2 x 2017 Bellevue 1953 Pinotage and get 1 x 2015 Bellevue 1953 Pinotage FREE!

Add any 3 bottles of Bellevue wine to this deal and also get your delivery FREE.

Planning your year end function?

Bellevue has recently launched with an exclusive private venue that is the perfect venue for your next celebration or small year- end function.

Dating back to the 1700's this was the 1st Manor house on the farm and is therefore the oldest building on Bellevue Estate. Incorporating the original walls we have slightly revamped it to a beautiful venue with a lot of heritage.

Handicap News

This week we look at the rule that deals with **playing the incorrect ball**.

As this rule seems to have caused a bit of confusion we approached the manager of operations, rules and training at GOLFRSA to get clarity on the matter.

He has confirmed that if an incorrect ball is played it results in a two stroke penalty (general penalty) in a stroke play game and a loss of hole in match play (as per rule 6.3)

He added that If you do not correct your mistake in Stroke Play (medal) then you would get disqualified from the tournament. If, however you are playing a stableford stroke play match you would get no points on that specific hole.
