## Corona (COVID 19)

Dear fellow golfer.

As per the most recent announcement from the President of South Africa, the country will go into lockdown on Friday 27 March 2020. This implies that the golf course will also be out of bounds for all. The committee has put the necessary in place to ensure that we continue having security guarding our asset through this lockdown period

We also ask that all members remove any personal effects from the club by 17:00 tomorrow Thursday 26 March. Added to this, it is strongly suggested that those who park their golf carts at the club remove the positive lead from their battery terminal.

## SURVEY

The club has introduced a new monthly survey through which we aim to gauge the satisfaction of our members with the service offering at our club. We would appreciate it if you could take 30 seconds to complete the survey (click below link). We urge all to please complete the survey once a month so that we can gauge whether there is a change in the level of satisfaction.

## Harry Solomon League

As previously communicated, Western Province golf union have not yet finalized arrangements for the league for this year and we are therefore still waiting on the rules (format / handicaps etc.). With this in mind it has been decided to cast the net a bit wider and invite all male members with a handicap index of 8,5 to 19,1 to add their names to the list on the notice board by no later than 31 March 2020.

## On The Course

### Free Drop:

A decision has been taken to allow a **free drop** within one club length (not closer to the hole) on all closely mowed areas with immediate effect. Please ensure to continue filling divots etc.

### Relief from the pylons between no.14 & 15 fairways:

A further decision will see the area around the pylons staked in future. Once this is done we will no longer have drop zones in place but will change the local rule to allow a free drop (within 2 club lengths) at the nearest point of relief. This will ensure that we receive complete line & sight relief from the pylons.

## Facilities

The Door between the bar area and the annex has been removed. The project will be completed by inserting a strip on the floor etc. once all returns to normal.

Members are reminded that the annex area is no longer a smoking area and that children under the age of 18 are now allowed to sit in the area. Please note, they will still not be allowed passed the strip where the door was into the greater bar area (as per our liquor license).

# Kuilsrivier Golf Club

Members are reminded that there are free golf lessons for juniors on a Tuesday between 14:30 and 15:30.

Please drop off any equipment you would like to donate at the pro shop.

Please contact: Thys Potgieter (Resident PGA Professional) on (021) 903-0300 for bookings

The pro shop has also received some exciting new apparel and have a large quantity of new balls in stock. Please enquire within:

***Lastly, on behalf of the Committee and Management of the club we wish all our members and staff, and those nearest and dearest to you, all the best during these trying times. Please look after you and yours and lets all do our bit to support our government and ensure our country comes through this pandemic as best possible.***

***Look forward to seeing all of you on the course in the very near future.***
